

Hi! This is Connie Gerling from the Moniteau County Library

Bring your 3-5 year olds for the Spring session of Preschool Story Time. The program is held on Wednesday mornings at 10:30 at the library through April 25th. The preschool program will begin with the start of the summer reading program on May 23rd. A program will be held for infants/toddlers and Preschool children.

The first Basic Computer Classes for Seniors and Veterans was held this week and was a big success. Those that took the class felt that it is very worthwhile to attend the class. If you missed out on this great opportunity, there are plans for a future class in late July/early August. However, it's first come first serve, so you may want to sign up to be notified for the future class. Stop by or call the library at 573-796-2642.

The library is collecting supplies for the summer reading program. This is a great way to recycle items and help the library with craft supply costs. For an updated list, check the library's Facebook and website. Please donate: Coated wire (like speaker wire); electrical tape; washed tin cans; Pringle Cans w/ lids; Coffee Containers; Oatmeal boxes; bottle caps; washi tape; paper towel and toilet paper tubes. Thanks for any donated items!

ESL Classes meet twice a week at the library following the school year. Currently, the class averages 33 students. The library began hosting classes in 2011 when we were able to purchase Rosetta Stone language software with a Technology Grant through the MO State Library. A partnership between the Jefferson City High School's Adult Education department and our library allowed the library to be used to provide an important public service while using the library's resources.

This is Connie Gerling from the Moniteau County Library. Join me every Friday at 3:45 and also on Saturday mornings right here on KRLL 1420 AM, where you can find out about everything that's going on here, at your library!
