

KRLL Script for 6/2/2017

Hi! This is Connie Walker from the **Wood Place Library!**

It wouldn't be summer at the library without some sort of reading incentive program to encourage your children to keep reading to maintain their reading level during the summer.

So this year, the library will offer Summer Reading Bingo.

This is a scaled-back summer program without the usual programming we've provided in the past, but is more of a self-paced reading incentive for kids.

The Summer Reading Bingo program will run from June 14th to July 14th. A bingo card will be issued at registration along with instructions for the game.

The cards will have book genres or subject in the squares.

There are two ways to win, by getting Bingo and/or filling the card.

Bingo cards are returned to the library for stickers to cover the card.

Prizes will be given for: Bingo or covering all squares with stickers.

Books must be checked-out from the library.

The Bingo cards are available for the following age levels: preschool (or read-to-me), elementary, middle school and young adult readers.

We hope you'll stop by the library soon and apply for your free library card. Summer is the perfect time to begin using the library.
