

KRLL Script for 6/9/2017

Hi! This is Connie Walker from the **Wood Place Library!**

I am continually amazed at how generous this community is. Since we've reopened the library, it seems we receive donations daily. This show of support from the public means so much to the library staff and Foundation board.

Children may begin registering to participate in the Summer Reading Bingo program on Wednesday, June 14th. The program will run from June 14th to Friday, July 14th.

A bingo card will be given when kids register to play. Cards will have book genres or subject in the squares for suggestions of what to read. When books are returned to the library along with the card, kids will receive stickers to cover the squares to work towards BINGO or filling the card; as doing either will earn a prize. Books must be checked-out from the library. Bingo cards are available for preschool (or read-to-me), elementary, tween/teen readers.

Even though this a scaled-back summer program without the usual programming we think kids will enjoy and be motivated to read by playing Summer Reading Bingo.

We are issuing many new library cards and we welcome you to do the same and explore the library and it's resources. Summer is the perfect time to begin using the library.
