

KRLL Script for 11/3/2017

Hi! This is Connie Gerling from the **Wood Place Library!**

Election Day was a day full of emotion. The day was full of ups and downs trying to figure out how the vote would go. By 7:20, those of us gathered at the county courthouse knew that a new county library district had been created along with the tax levy that would support library services throughout the county. What an unbelievable turnout of support.

I want to thank you, the voters, for stepping forward to secure funding for the library for generations to come. We recognize that your vote validated the library and the services we have provided to the public. This has meant more than we can say and we look forward to seeing you at the library. If you haven't been using the library, please stop by and get a library card and take advantage of the resources available to you.

I would be remiss if I didn't publicly thank the incredible Vote YES for Library Services campaign committee. Committee members were: Laura Burger, Chair, Ann Tettlebaum, Treasurer, Kristen Everitt, Kim Robertson, John Kay, Jennifer Schoenthal, Gail Hughes, Beth Jungmeyer, Holly Bieri, Joyce Crook, Sara Rohrbach, Tom Ogle, Bill Boies, Buck Moody and myself.

Everyone approached their responsibilities with passion and a can-do attitude. They deserve a lot of credit for the successful campaign. We also want to thank John Chrastka, executive director of Everylibrary, for providing his pro bono counseling and expertise in running a library campaign.

The new county library board members were appointed by the County Commissioners and sworn in by the County Clerk Wednesday. It's an exciting time for the library and again, we thank you for your continued support!
