

KRLL Script for 6/30/2017

Hi! This is Connie Walker from the **Wood Place Library!**

I've said it many times before, but it still amazes me how generous this community is! Checks come in the mail and through the door almost daily. It feels so great to see the public support of the library.

The library staff continues to be surprised by how busy we are. We've been open 4 hours a day for 21 days this month. We've made 39 new library cards, and checked out 2,015 items.

Most of the new card applications are from people that reside in the county where a library levy never existed. We encourage they are exploring the resources the library offers, so they may make an informed decision when it's time to vote on a future ballot measure.

If you have never used the library, I invite you and your family to stop by and begin enjoying all that the library offers.

Current hours are Monday, Wednesday & Friday 10:00-2:00 & 3:00-7:00 on Tuesdays and Thursdays. The library is closed Saturday and Sunday.

The library provides a summer reading program to keep kids reading during the summer, which helps maintain their reading skills.

This year, kids are playing Summer Reading BINGO to win treats from Sonic and the Pizza Hut. The program continues to July 14th. Stop by today...there's still time to participate!

Join me every Friday afternoon @ 3:45 and on Saturday mornings, right here on KRLL 1420 a.m. where you'll be informed about what's going on at your library.

Please remember....People need libraries.....libraries need you!
