

KRLL Script for 11/3/2017

Hi! This is Connie Gerling from the **Wood Place Library!**

With November 7th approaching, I am reflecting on the effort members of the Vote YES campaign committee have invested in this election. The countless hours and dedication that has so selflessly been given to save the library and work towards having expanded county-wide library services is truly humbling.

If the 697 people signing the Petition to place the levy measure on the ballot isn't proof of support, further proof appeared in this week's California Democrat. The ½ page Endorsement Ad had nearly 500 names stating they were voting yes. Not only were there residents, but licensed daycare providers, organizations and businesses that endorsed the campaign.

Further evidence of public support is on the sidewalk marquee in front of the library which lists donors that kept the doors open for that day. Thanks to this support, the library is open 26 hrs. per week.

But make no mistake, your library, is also very vulnerable. The uncertainty of our funding puts at risk our ability to continue keeping the doors open and providing the library services.

Without your YES vote on Tuesday, November 7th, the future of the library is grim. If you want the library to have a future, you must do your part and vote YES for Library Services.
