KRLL Script for 10/6/2017
Hi! This is Connie Gerling from the **Wood Place Library**!

Wow! In 2 days the campaign committee has distributed 300 Vote YES for Library Services yard signs!

We knew the library had a lot of support, but this response has blown us away. If you signed up for a yard sign at the Ham & Turkey Festival and have not received it, don't worry - a committee member probably has your sign and will be getting it to you.

Unfortunately, we are now out of yard signs. We are sorry to those citizens who wanted one and did not get one.

You can still help though! Please visit the Vote YES for Library Services Facebook page and like, share, and comment on all our posts.

You can talk to your friends, family, and neighbors about how the library benefits so many people. And we would love to have your help going door-to-door closer to election time! This isn't as scary as it sounds, as we provide you with a T-shirt that identifies who you are working for, and the public is very receptive to making sure we have a library for all time.

Committee members are visiting county school superintendents' to provide information how library services will be extended their schools. Committee members are also giving presentations to organizations and government entities in the county informing them of the expanded services that will be implemented with the passing of the county-wide ballot measures on November 7th.

There are only two issues to vote on in this election and they both pertain to the library.
Proposition A1 ask voters: *Shall there be established a Moniteau County Library District?*
Proposition A2 ask voters: *Shall there be a tax of .12 cents on each one hundred dollars assessed valuation for a county library?*

With very few exceptions, taxpayers will be paying no more than a couple would spend eating out in a restaurant.
