

Hi! This is Connie Gerling from the Moniteau County Library

Subway of California is providing a fundraiser that benefits the library. We are selling a card worth \$45 in coupons for only \$10. The library keeps the entire \$10 and the cards are good through 2018. Thank you Subway for your support of the library! We want to use these funds to support special activities of the 2018 Summer Reading Program.

Speaking of the Summer Reading Program, I have begun meeting with the schools in the library district regarding the program. Last fall, prior to the November 7th election, a partnership for the summer program was discussed with the Superintendents and librarians, and was well received. This follow-up visit entails the logistics of bringing the program to the schools, if summer school will be in session, etc. It's an exciting time for the county library to implement new services and the rural schools to have access to this great program that prevents children from the "summer slide" in reading skills.

Have you had a chance to go to the library's website and look at the new digital magazines? If you have a smart phone, tablet, laptop or computer, you will be able to enjoy reading a big variety of magazines. There are the popular magazines, along with hobby, sports, history, travel, science, cooking and so much more. Give it a try by going to www.moniteaucountylibrary.org to check it out. If you don't have a library card, stop by soon and get your free card to begin enjoying this new resource.

Blind Date with a Book program will end next week, when we draw for the winner of the \$25 Amazon Gift Card on February 16th. You still have time to check out a Blind Date book and you will receive a sweet treat when you turn in your *Rate Your Date* slip.

The library is selling its' refurbished desktop computers for \$75 until all units are sold. The computers feature Windows 10 OS and you get a monitor, keyboard and mouse with the computer. Stop by soon, they are selling fast!

This is Connie Gerling wishing you a great day from the Moniteau County Library. Join me every Friday at 3:45 and also on Saturday mornings right here on KRLL 1420 AM, where you can find out about everything that's going on here, at your library!
