

Hi! This is Connie Gerling from the Moniteau County Library

Join Ms. Heidi for a really fun Spring Preschool Story Time on Wednesday mornings at 10:30 at the library. Your little ones will enjoy story books, action songs, rhymes and a craft. The programming is appropriate for 3-5 yr. olds. Spring Story Time continues until April 25th.

The Basic Computer Classes for Seniors and Veterans has filled up...but you may sign up to be notified for a future class. Stop by or call the library at 573-79-2642.

Planning the programs for this summer's Reading Program is a big undertaking. We are really excited to add Jamestown, Latham and High Point schools to our program schedule this year.

With the addition of these schools, a larger amount of craft supplies are needed. We try to use recycled items when we can, to become part of the supplies. We have posted on Facebook and the library's webpage what supplies we are collecting. Perhaps you have some of these items that you will not be using and would be willing to drop them off at the library to be used during the summer reading program.

Please donate: the (round) Ice Breakers Mint containers ; washi tape; fabric scraps; decorative & colored duct tape; paper towel and toilet paper tubes, sequins, beads, etc.; and aluminum foil.

Thank you in advance for taking time to save and drop off these items.

Have you checked-out the new digital magazines available through the library's website? Many who have are commenting how much they are enjoying them. With 63 titles, there is something for everyone's taste and most hobby interests. Go to www.moniteaucountylibrary.org and click on the Digital Library link that opens to the Digital Magazines link. Directions for logging in are provided below the link. If you do not have a library card, take a few minutes to stop by the library to get your card to begin using this great resource from the comfort of your home.

This is Connie Gerling from the Moniteau County Library. Join me every Friday at 3:45 and also on Saturday mornings right here on KRLL 1420 AM, where you can find out about everything that's going on here, at your library!
