

KRLL Script for 4/20/2018

Hi! This is Connie Gerling from the Moniteau County Library

Next week will be the last spring Preschool Story Time program. You can join us for this last program on Wednesday morning at 10:30 at the library.

This will be the time slot for the preschool programs during the summer reading program. We will provide a combined program for Infants & Toddlers in the Early Literacy Center and a separate program for 3-5 yr. olds. The first program date for Preschool children is May 23<sup>rd</sup>.

The Summer Reading Program will begin in 4 weeks. This program is made possible, in part, by the Institute of Museum and Library Services, through a grant administered by the MO State Library. There is much behind the scenes preparations to providing a program of this size. It means planning program appropriate for 5 age groups, then gathering all the supplies for the various components of the programs. This is such a rewarding program and we look forward to it every year. And this year, we are looking forward to providing the summer reading program at the Jamestown, High Point and Latham schools. I'm sure I'll be sharing a lot during the summer about the Summer Reading Program.

The library still needs supplies for the summer reading program. This is a great way to recycle items and help the library with craft supply costs. For an updated list, check the library's Facebook and website. Please donate: Coated wire (like speaker wire); electrical tape; washed tin cans; Pringle Cans w/ lids; Coffee Containers; Oatmeal boxes; bottle caps; washi tape; paper towel and toilet paper tubes. Thanks for any donated items!
