

KRLL Script for 8/17/2018

Hi...This is Connie Gerling from the Moniteau County Library

The library will be hosting two great classes this fall for Seniors and Veterans. If you are looking to learn or improve your technology skills, consider signing up for one, or both, of these classes. The first one is a FREE iPhone class held on Aug. 30, from 9-4, with an hour break for lunch. You will learn how to do all the amazing things your iPhone will do.

The second class is a basic computer class and will be held on Mondays for four weeks beginning on September 10th and ending on October 1st. The cost is \$20, which covers a flash drive and the instructors driving costs from Linn, MO. The library provides six laptops for those who only have a desktop. Stop by the library to register for one or both classes, or call 573-796-2642 to register.

The library will hold the 2018 Tax Levy Hearing on Wednesday, August 29th at 6:30 p.m. at the Moniteau County Library located at 501 S. Oak St. in California, MO. During the hearing, the board will vote to set the tax rate for the Moniteau County Tax Record. The public is welcome to attend. A hearing notice will be in the California Democrat in the August 22nd edition.

We are grateful to the voters of Moniteau County that passed Prop 1 to establish a county-wide library district, and Prop 2 that established a .12 cent levy to support library services on November 7, 2017. The county library serves all areas of Moniteau County outside the Municipal Library District of Tipton, but extends services to those living within that district, and has reciprocal borrowing agreements with all libraries surrounding Moniteau County.

I encourage you to stop by and visit the library soon. While here, get your library card and begin utilizing the resources we provide. Many are available online and you can use them without leaving home. If you work in Jefferson City, Sedalia, Booneville, or Columbia, you may now get a free card at their libraries by showing your Moniteau County Library.
