

KRLL Script for 8/24/2018

Hi...This is Connie Gerling from the Moniteau County Library

The library will hold the 2018 Tax Levy Hearing on Wednesday, August 29th at 6:30 p.m. at the Moniteau County Library located at 501 S. Oak St. in California, MO. During the hearing, the board will vote to set the tax rate for the Moniteau County Tax Record. The public is welcome to attend. A hearing notice was in the California Democrat in the August 22nd edition.

Do you find yourself frustrated by technology at times? If you are 60 or over or a Veteran you may be interested in a class, the library is hosting for someone just like you. The first class is a FREE iPhone class held on Aug. 30, from 9-4, with an hour break for lunch. You will learn how to do all the amazing things an iPhone will do.

The second class is a basic computer class and will be held on Mondays for four weeks beginning on September 10th, and ending on October 1st. Class time is 9:30-3:30 with two breaks and an hour off for lunch. The cost is \$20, which covers a flash drive and the instructors driving costs from Linn, MO. The library provides six laptops for those who only have a desktop computer. The class is filling up quickly, so stop or call the library at 573-796-2642, to register for one or both classes.

The newly formed *Friends of Moniteau County Library Services* have been busy planning their fall events. The first is a 3-day book sale beginning Thursday, September 20, 21st and 22nd upstairs at the library. The second event is a Trivia night scheduled for November 3rd, and the fall schedule wraps-up with a Guest Speaker on Tuesday, November 13th. Be sure to like and check their Facebook page as the events get closer for times and locations, in case you miss the weekly library update here.

The library has begun providing year-round Preschool Story-time for the public on Wednesday mornings at 10:30 a.m. in the Early Literacy Activity Center at the library. Ms. Heidi has planned fun programs with wonderful stories, songs, crafts and activities for your little one. We hope that you will join us for this fun and educational program.
