

KRLL Script for 8/31/2018

Hi...This is Connie Gerling from the Moniteau County Library

Do you find yourself frustrated by technology at times? If you are 60 or over or a Veteran you may be interested in classes the library is hosting for someone just like you. The first class is a FREE iPhone class, which had to be rescheduled, and now will take place on Thursday, September 13th, from 9-4, with an hour break for lunch. You will learn how to do all the amazing things an iPhone will do.

The second class is a basic computer class and will be held on Mondays for four weeks beginning on September 10th, and ending on October 1st. Class time is 9:30-3:30 with two breaks and an hour off for lunch. The cost is \$20, which covers a flash drive that will be yours to keep, and driving costs from Linn, MO for the instructor. The library provides six laptops for those who only have a desktop computer. The class is filling up quickly, so stop or call the library at 573-796-2642, to register for one or both classes.

The newly formed *Friends of Moniteau County Library Services* have been busy planning their fall events. The first is a 3-day book sale beginning Thursday, September 20, 21st and 22nd upstairs at the library. This books sale will offer a huge variety and quantity of hardback and paperback books and movies...so don't miss out on this great sale!

The second event is a Trivia night scheduled for November 3rd. The Smartyants Trivia has become a tradition and if you have interest in putting together a team to compete, call the library for more information at 573-796-2642 or go to the Friends of Moniteau County Library Services' Facebook page.

Their final event will be hosting a guest speaker on Tuesday, November 13th. There will be more information about this event, closer to the date. Be sure to like and check their Facebook page as the events get closer for times and locations, in case you miss the weekly library update here.

Join us for Preschool Story-time on Wednesday mornings at 10:30 a.m. in the Early Literacy Activity Center at the library. Ms. Heidi has planned fun programs with wonderful stories, songs, crafts and activities for your little one. We hope that you will join us for this fun and educational program.

This is Connie Gerling from the Moniteau County Library. Join me every Friday at 3:45 and Saturday mornings right here on KRLL 1420 AM, where you can learn about programs, activities and services provided by the Moniteau County Library!
