

KRLL Script for 10/27/2017

Hi! This is Connie Gerling from the **Wood Place Library!**

On November 7th, the voters of Moniteau County will have the opportunity to secure permanent library services for the entire county. Moniteau County will have a County-wide Library District and a Municipal Library District in the City of Tipton.

After meeting with all the school Superintendents in the county, we can assure you that we will partner with the schools to provide programming and resources at Jamestown, High Point, Clarksburg and Latham schools throughout the school year, and for 9-weeks during the summer.

Did you know: with the passage of the November 7th ballot measures, the libraries will be the only information, education and entertainment resource that offers free access to absolutely everyone?

Did you know: bridging the digital divide is something that the library does every day by providing computers and internet access to create resumes, apply for jobs online, complete homework assignments and much more?

Did you know: Literacy translates into success at every stage of life which is why the library offers literacy programs for children, and teens, and hosts ESL classes for adults?

We hope that you will consider the positive benefits to be gained if this initiative is supported, and vote YES for Library Services on November 7th.

This is Connie Gerling from the **Wood Place Library** Join me every Friday afternoon @ 3:45 and on Saturday mornings, right here on KRLL 1420 a.m. where you'll be informed about what's going on at your library.
