

KRLL Script for 10/13/2017

Hi! This is Connie Gerling from the **Wood Place Library!**

Working with the campaign committee has been such a great experience for me. The committee members are giving their utmost effort to make the election successful. I can't image how many volunteer hours have already been given to this endeavor!

The time given to filing paperwork, organizing meetings, working in the Ham & Turkey booth, designing and ordering signs, handouts, and t-shirts, making presentations at meetings, creating Facebook posts, and newspaper ads, writing radio ad scripts, assembling yard signs, delivering yard signs and putting up banners and more. It's such a huge undertaking, and this committee does it with out complaint and complete devotion to the cause.

The library is so fortunate to have this level of support from so many to assure it has a future.

So, if you have someone knock on your door in the next couple of weeks wearing a Vote YES for Library Services, know that they are there for the greater good and are dedicated to making the future of Monteau County a great place to live for generations to come.

We hope that you will join us in voting YES for library services on November 7<sup>th</sup>.

This is Connie Gerling from the **Wood Place Library** Join me every Friday afternoon @ 3:45 and on Saturday mornings, right here on KRLL 1420 a.m. where you'll be informed about what's going on at your library.
